DETAILED ACTION

Information Disclosure Statement

1. The information disclosure statement (IDS) submitted on 06/08/2005 was considered. The submission is not in compliance with the provisions of 37 CFR 1.97, because the applicant did not provide the prior art on 1449 form. However the prior art reference has been considered by the examiner and placed on the PTO -892 form.

Examiner's Statement Of Reason For Allowance

2. Claims 34-53 are allowed, because they distinguish over the submitted prior art. The examiner's statement of reasons for allowance for claims 34-53 was documented in the office action mailed on 11/16/2004.

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The prior art of record does not teach all the combined elements, components and steps as discussed above in the "examiner's statement of reasons for allowance".
4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
